**SELF-PARKING**

*(Parking option 1 of 3)*

- The best entry into the self-parking garage is 250 Piedmont Avenue NE, Atlanta, GA 30308 in your favorite GPS app. If the app says that you're headed to Altitude Apartments, please know that the Hilton and Altitude share the same garage.
- The vertical clearance in the self-parking garage is 6'0". While the size of parking spaces vary, most spaces are 15' deep and 8' wide. Vehicles which can't make the clearance, fit into a marked space, or have a dual axis would need to use Valet or Oversize Parking. Fifteen-passenger vans would need to use Oversize Parking.
- The entrance to the self-parking garage will be on your left towards the end of the building. Please take a ticket from the machine to enter and bring it inside with you. For guests staying overnight, your guestroom key will allow you unlimited in and out privileges later.
- Box trucks and vehicles with trailers are unable to use any of the hotel's parking options. Please see below for information about the Georgia World Congress Center's Marshalling Yard.
- Please know that every car which enters the garage needs will be charged for parking, even if entering for just one minute.
- The self-parking garage only accepts card payments; cash is not accepted. Overnight guests may have charges applied to their guestroom as an incidental charge, too.
- Only one overnight vehicle can be attached to a guestroom. Additional vehicles can still park yet they would need to pay standard rates via credit/debit card upon every exit.
- When checking in, your guestroom key will then be used to exit and enter in place of paper tickets. Overnight guests enjoy unlimited in and out privileges!
- If you need to pay for self-parking upon exit (mainly if not staying in a guestroom), card payment is accepted at a machine on the main level near the parking garage elevator. Ask a hotel team member about its location if needed. The exit gate can also process card payments.
- Self-Parking rates for non-overnight guests appear below and are subject to change without notice. Parking rates are not subject to tax.
  - 0 – 2 hours: \$14.00
  - 2 – 3 hours: \$18.00
  - 3 – 4 hours: \$20.00
  - 4 – 24 hours: \$35.00
- There will be an elevator in the center of the garage to take you up to the hotel's main floor.
- All parking is on a first-come, first serve basis. There are up to 500 spots for self-parking.
- If you are an overnight guest, please keep one of your guestroom keys upon your final departure to exit the garage one final time. Once the gate is raised, you'll be able to deposit the key into a nearby drop box.
- You can only turn left (north) onto Piedmont Road when exiting. It's a one-way street.
